## **INTRODUCTION**

Directors, Officers, Committee members and staff of the Nova Scotia Amateur Wrestling Association (NSAWA) are bound to act honestly, in good faith and in the best interests of the NSAWA.

Consistent with such standards of conduct, conflicts of interest and the appearance of conflicts of interest are to be avoided where possible and acted upon in an open and transparent manner when encountered.

We must be impartial and fair in our dealings with NSAWA members, suppliers and sponsors and the general public. Their trust, confidence and support of the NSAWA mission and objectives are necessary to the successful function of the association. Members of the Board of Directors, Committee members, staff, representatives and decision makers of the NSAWA must ensure their interests, or those of people close to them, do not conflict with the impartial performance of their association duties. Any potential, real or perceived, conflict between an individual's interests and those of the association must be resolved in favour of the association.

## **OBJECTIVE**

This policy is aimed at avoiding conflict of interest within the NSAWA and to maintain fair and ethical interactions between and among those who work, volunteer and do business with the NSAWA.

## **DEFINITIONS**

A conflict of interest arises in any situation in which a Board, Committee, Staff member or representative is influenced, or could be influenced, in an organizational decision by personal, financial, business or other concerns not in the best interests of the NSAWA. Conflicts of interest include both pecuniary and non-pecuniary interests. In the case of the NSAWA Board, being made up in part by designated members from affiliated organizations, member clubs and other groups, said involvement may, from time to time, conflict with their required loyalty to the NSAWA. Any such conflicts must be disclosed by the Board member or other in this case. The policy for disclosure noted later in this document should be followed in such cases.

## **APPLICATION**

This Conflict-of-Interest Policy shall apply to all members of the Board of Directors, Committee Members, to the staff, and representatives of the NSAWA.

## **POLICY STATEMENTS**

Members of the Board of Directors, Committee, staff and representatives of the NSAWA shall not:

- Engage in any business or transaction or have a financial or other personal interest which is incompatible with the discharge of their duties and obligations with the NSAWA.

They shall not:

1. Knowingly place themselves in a position where they are under obligation to any person who might

benefit from special consideration or favour on their part or who might seek, in any way, preferential treatment.

2. Accord, in the performance of their duties and obligations, preferential treatment to relatives or friends or to organizations in which they or their relatives or friends have an interest, financial or otherwise.
3. Benefit from the use of information acquired during the course of their official duties, which is generally not available to the public.
4. All proceedings, minutes, notes etc. which are part of the function of the association are the property of the association and must be retained by the NSAWA after the individual is no longer in a position of trust in the association. This particularly applies to members of the Executive Committee and staff.

Further, members of the NSAWA in positions noted shall not:

1. Engage in any outside work, activity or business in direct conflict with the mandate of the NSAWA, or with any organization that operates in competition with the NSAWA.
2. Engage in any outside work, activity, or business undertaking those conflicts or appears to conflict with their duties as Director, Committee Member, staff or representative of the NSAWA.
3. Engage in any outside work, activity, or business undertaking which they have an advantage or appear to have an advantage derived from their association with the NSAWA.
4. Engage in any outside work, activity, or business undertaking or in a professional capacity that will or might appear to influence or affect the carrying out of their duties as a Board member, committee member, staff person or representative of the NSAWA.
5. Use NSAWA property, equipment, supplies or services of consequence for activities not associated with the discharge of their official duties.
6. Place themselves in a position where they could derive any direct or indirect benefit or interest from any contacts, the decisions with respect to which they could influence, or accept any gift that could reasonably be construed as being given in anticipation or recognition of special consideration by the NSAWA.

## **PROCEDURE FOR DISCLOSURE**

Individuals who are elected, appointed or hired to positions within the NSAWA will disclose their potential conflict of interest in the following manner:

- Where applicable, the member/staff member shall disclose any conflict of interest following nomination and prior to voting for election to any position for which they have been nominated, in order to give those persons nominating the member the opportunity to withdraw that nomination if they choose.

If there is no opportunity to declare a conflict of interest prior to election or where no election takes place, the member/staff member shall immediately make written disclosure of their conflicts of interest on the appended form, forwarded to the Secretary of the Association who will forward the matter to the Board for notice and approval.

- At the first meeting of a committee, each member shall make verbal disclosure of their interests, to be recorded and submitted to the Board of Directors as part of the meeting Minutes.
- In addition to the foregoing, whenever a Board member, Committee member, staff person or representative considers that he or she could be, or could potentially be, in a conflict of interest as defined within this policy, he or she shall disclose this conflict to the Board of Directors, or
- Any other Board or Committee member or staff person who feels that another Board or Committee member or Staff person is in a conflict of interest can raise the matter with the Board of Directors.

If a Board or Committee member or Staff person is in doubt as to whether or not a conflict-of-interest situation exists, he or she should provide disclosure to the Board of Directors who will be asked to make a determination.

## **PROCEDURE FOLLOWING DISCLOSURE**

Once a Board or Committee member or Staff person has provided disclosure of a conflict of interest with respect to a

particular matter to be considered or decision to be made, the following principles shall apply:

- a. The individual in conflict of interest may not participate in discussion of this matter as an advocate on his or her own behalf, either formally at the meeting or informally through private contact, communication, or discussion, unless such participation is approved by a majority vote of the other Directors or Committee Members,
- b. Except where participation in discussions has been properly approved as noted in above, the Board or Committee member or Staff person shall not be presented at that portion of the meeting when matters in which they have conflict of interest are considered.
- c. The individual in a conflict of interest shall not participate in any vote on the matter.

## **DOCUMENTATION**

In the case of members of the Board of Directors and the staff, disclosure shall be recorded on the appended Disclosure Statement and summarized in the Minutes of the Board of Directors meeting.

Documentation relating to conflict-of-interest situations will be recorded in the Minutes of the Committees of the Association. All conflicts that are reported and recorded will be communicated to the Board of Directors through the publication of these Minutes.

Should the status of a Director, committee or staff member change during the period of their service to the NSAWA that individual would note the change in status as follows:

- a. Board of Directors and staff members – immediately at the time of the change of status via a Disclosure Statement or the withdrawal of a previous Disclosure Statement.
- b. Committee member – via a verbal declaration at the beginning of the next meeting of that committee.
